Certificate  
JAN 13 2006  
of Correction

Sir:

The following errors were noted in a review of the above-identified letters patent. One of these errors was inadvertently made in the original application, while the others occurred in the printing of the patent. Since the errors are of an obvious nature, a formal Certificate of Correction is not believed to be warranted at this time. Therefore, applicants request that this notification be placed in the Patent and Trademark Office file.
